

Workshop on General Aviation Oversight Held in Chişinău

Between 17-21 November 2025, the Civil Aviation Authority of the Republic of Moldova hosted the workshop **“Support on Oversight of General Aviation (MD)”**, held within the Eastern Partnership project and supported by EASA expert **Mr. Mihail Voicu**. The workshop focused on the application of Regulation (EU) 965/2012 and strengthening oversight of general aviation operations. Key activities included:

- evaluation of current oversight procedures;
- training sessions and technical consultations;
- recommendations tailored to the national context.

The recommendations will contribute to optimizing internal processes and ensuring more effective oversight of general aviation.
